

Chapter -12: The manner of execution of subsidy programmes, including the amounts allocated and the details of beneficiaries of such programmes;

The general public is hereby informed that CESL is public limited company and is a commercial entity under administrative control of the Ministry of Power, Government of India.

CESL does not run its energy efficiency schemes on subsidy model. The funds, which are used by CESL are either generated by means of commercial activities, centered towards public good, or through funding received from various international multilateral agencies.

Discretionary and non-discretionary grants/ allocations to State Government/ NGOs/ other institutions: This section is not applicable to CESL.
