Earnest Money Deposit	Bid Security Declaration to be Submitted as per Attachment-2	

All the bids must be accompanied by Bid Document Fee & Bid Security Declaration, as mentioned above. Bids not accompanying the Bid Document Fee & Bid Security Declaration, or those accompanied by these instruments of inadequate value, shall not be entertained and in such cases, the bids shall not be opened.

The Bid Security Declaration and must reach the following address in a sealed envelope super scribed "EMD and Bidding Document Fee for CESL/06/2021-22/EV/E3W/EOI/212207013 Dated 06-07-2021" before the submission date & time mentioned above.

Mr. Deepak Mittal, AM (SCM)
Convergence Energy Services Limited
Core-3, 2nd Floor,
SCOPE Complex,
Lodhi Road, New Delhi-110003

The subject procurement will be done through e-tendering. The NIT is available on the website https://eesl.eproc.in or could be viewed after following the link of 'e-Tendering' on EESL's website's Home Page, i.e., http://eeslindia.org from where the bidders registered with EESL (registration process is explained at the Home Page) will be able to download the Tender documents and submit their bids online. The Tender submission, Tender closing and opening will be done electronically and online.

NOTE: EESL has appointed M/s. C1 India Pvt. Ltd., NOIDA as implementation agency for carrying out e-Procurement. Also, as per IT ACT 2000, use of Digital Signature Certificate (DSC) is mandatory for participating in the E-tendering process. New bidders should register on the website https://eesl.eproc.in by payment of one-time registration fee of Rs. 5,000/- through DD in favour of "Energy Efficiency Services Limited".

<u>Bidders are requested to visit "e-Tendering" section at EESL website, www.eeslindia.org for instructions and registration on E-tendering portal.</u>

Steps for Registration on EESL's E-Procurement Portal

- (i) Open portal by entering URL https://eesl.eproc.in in internet explorer.
- (ii) Download and read 'System Requirement Manual' and Registration Manual from our e-tendering portal https://eesl.eproc.in
- (iii) Click on 'Login/Sign Up' link and then Registration link for new registration.
- (iv) Fill all mandatory fields and click on submit button.
- (v) Login with the user id and password you have created. You will be redirected to a page where you have to enter your challenge phrase which is received in your

Signature: -- registered email id 17=110003, OU=SUPPLY CHAIN M ANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN User ID: divyang.suri

- (vi) Register your class-III Signing and Encryption Digital Signature Certificate (DSC).
- (vii) Fill all mandatory fields of Common Info form and upload scan copy of your DD (in favour of "Energy Efficiency Services Limited", Delhi) in PDF format of INR 5,000/and click on save and send the original DD to EESL, Delhi office, Covering Letter on your letter head pad and print out of page regarding registration of approval (automatically generated on screen).
- (viii) Also read the instructions given under E-tendering link available at home page of EESL website www.eeslindia.org.

<u>Note:</u> Online registration shall be done on e-tendering website, i.e., https://eesl.eproc.in & in general, activation of registration may take 24 hours subject to the submission of original DD. It is sole responsibility of the bidder to register in advance.

A. Digital Signature Certificate:

It is mandatory for all the bidders to have class-III Digital Signature Certificate (DSC) with signing and Encryption certificate (in the name of person who will sign the BID) from any of the licensed Certifying Agency (Bidders can see the list of licensed CAs from the link www.cca.gov.in) to participate in e-tendering of EESL.

B. EESL Global Support Telephones and e-mail id

BENEFITS & EXEMPTIONS FOR MSEs (APPLICABLE TO THIS EMPANELMENT ONLY)

1. Following benefits will be given to Start ups and MSEs in this tender: -

All MSEs notified as per GFR 2017 clause no. 1.10.4 and as notified below shall be exempted from payment of Tender Document Fee and Bid Security/ Earnest Money Deposit. For claiming this exemption, MSE must, along with their offer, provide proof of their being registered as MSE (indicating the terminal validity date of their registration) for the item tendered, with any agency mentioned in the notification of Ministry of MSME, indicated below: -

- (a) District Industries Centers;
- (b) Khadi and Village Industries Commission;
- (c) Khadi and Village Industries Board;
- (d) Coir Board;
- (e) National Small Industries Corporation;
- (f) Directorate of Handicraft and Handloom;
- (g) Udyog Aadhar Memorandum issued by Ministry of MSE; or
- (h) Any other body specified by the Ministry of MSME.
- 1. For claiming the above exemption for Start-ups, a valid certificate of Start-up recognized by 'Department of Industrial Policy & Promotion (DIPP)' along with Business eligibility certificate or any other document issued by Govt/Recognized institute is required in support of product/ service item being tendered.
- 2. <u>Purchase Preference to MSEs:</u> Subject to meeting terms and conditions stated in the tender document including but not limiting to prequalification criteria, 25% of the total quantity of the tender is earmarked for MSEs registered with above mentioned agencies/bodies for the tendered item. Out of the 25% target of annual procurement from micro and small enterprises 4% & 3% shall be earmarked for procurement from micro and small enterprises owned by Scheduled Caste (SC) & Scheduled Tribe (ST) entrepreneurs & Women entrepreneurs respectively. In the event of failure of such MSEs to participate in the tender process or meet the tender requirements and L1 price 4% & 3% sub targets so earmarked shall be met from other MSEs.

Type of tender	Price quoted by MSE	How the tender shall be finalized	
Can be split L1		Full Order on MSE subject to tender evaluation condition	
Can be split	Not L1 but within L1+15%	25% order on MSE subject to matching L1 price	
Cannot be split	L1	Full Order on MSE	
Cannot be Not L1 but within split L1+15%		Full Order on MSE subject to matching L1 price	

Signature: –
Subject: CN-DIVYANG SURI, ST=DELHI, OID.2.5.4.17=110003, OU=SUPPLY CHAIN M
ANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
Ilser, ID: divagen suri

- 2.1 Where the tendered quantity can be split: In a bid, if prices quoted by participating Micro and Small Enterprises (MSEs) fall within the price band of L1+15%, such MSE shall also be allowed to supply 25% of the total tendered quantity by bringing down their prices to L1 prices. In case of more than one such MSE (L1+15%) the supply shall be shared proportionately (to tendered quantity), subject to the condition that such MSEs match the L1 price. Further, 4% out of above 25% shall be from MSEs owned by SC/ST entrepreneurs & 3% out of above shall be from MSEs owned by women entrepreneurs. This quota is to be transferred to the general category MSEs in case of NON-availability of MSEs owned by SC/ST entrepreneurs & Women entrepreneurs respectively.
- 2.2 Where the tendered quantity cannot be split/divide: In case of tender item is non-split able or non-dividable, etc.: MSE quoting price within price band L1+15% may be awarded for full/complete supply of total tendered value to MSE, considering spirit of Public Procurement Policy, 2012 for enhancing the Govt. Procurement from MSE.

2.3 MSE owned by SC/ST is defined as:

- a. In case of proprietary MSE, proprietor(s) shall be SC /ST
- b. In case of partnership MSE, The SC/ST partners shall be holding at least 51% shares in the enterprise.
- c. In case of Private Limited Companies, at least 51% share shall be held by SC/ST promoters.

2.4 MSE owned by Women is defined as:

- a. In case of proprietary MSE, proprietor(s) shall be Women
- b. In case of partnership MSE, The Women partners shall be holding at least 51% shares in the enterprise.
- c. In case of Private Limited Companies, at least 51% share shall be held by Women promoters.
- If bidder does not provide appropriate document or any evidence to substantiate the above, then it will be presumed that he does not qualify for any preference admissible under the Public Procurement Policy, 2012.
- For relaxing the PQ/QR conditions regarding prior turnover and prior experience for MSEs and start-ups, the prior turnover and prior experience will be as under subject to their meeting of quality and technical specifications: -

Category of tender	Past experience	Average Turn Over	Award Philosophy
Can be split as per tender conditions	25% of total experience as required for general bidders	25% of total ATO as required for general bidders	(a) If MSE is L1, order will be given as per split criteria in order of ranking as defined in the tender document which could be greater than 25%. The treatment for award will be same for MSE as general bidder.

If MSE is other (b) than L1 bidder, then the split criteria as per tender condition will be followed subject to price matching with L1 bidder in order of ranking treating the MSE bidder(s) at par with the general bidder. In such event also, order(s) going to MSE bidder(s) could be greater than 25%. If order(s) going to MSE bidder(s) is/are less than 25% after the matching of rates with L1 bidder by adopting the tender split criteria, then the clause of purchase preference for award to MSE bidder(s) up to 25% of the tendered quantity subject to matching L1 rates will be followed to make the total quantity going to MSE bidder(s) @ 25%; provided the rates are within L1+15% range. In such cases, remaining quantity after award of 25% to MSE bidder(s) shall be distributed amongst other eligible bidders in the pre-declared split ratio. If order(s) going to MSE bidder(s) is less than 25% and also MSE bidder(s) not meeting the condition of purchase preference clause i.e. quoted rates not within L1+15% range, then the order(s) quantity going to MSE bidder(s) in such cases shall be less than 25% which will be in line with the tender conditions.

(c) If MSE is in the

range of L1+15% and not getting the order after splitting and award is going to all non MSE bidder(s), then in such event 25% will be awarded to MSE bidder(s) who fall in the range of L1+15% subject to price matching and remaining 75% will be awarded as per the tender conditions to general bidders subject to matching L1 rates.

- (d) If after splitting MSE bidder(s) are getting order for more than or equal to 25%, then other MSE bidder(s) will not be awarded any work under purchase preference clause even if they fall in the range of L1+15%. However, they will be considered for award of work as any other general bidder as per tender conditions subject to matching of rates in order of ranking.
- If MSE bidder is a single resultant vendor, then the quantity that would be considered for award to such bidder will be as defined in the predeclared split ratio to L-1 bidder in the tender condition; provided the quoted rates of the bidder are found reasonable by CESL. **CESL** However, reserves the right to award 100% quantity to such MSE bidder provided the MSE bidder has got ATO which is corresponding to the

indicated in the property of t

			cumulative applicability for 100% order value. In case, where ATO of the MSE bidder is less than what is required for 100% cumulative order value, then work may be awarded to such MSE bidder in proportion to the ATO. For exp: If ATO of MSE bidder is 56% of the cumulative ATO requirement of 100% order value, then maximum 56% work may be awarded to the MSE bidder. However, in such case CESL reserves the right to award appropriate quantity based on the existing requirement and such decision will be taken by CESL which will be binding on the bidder. CESL may take consent from the bidder for award of such quantity (which is over and above the quantity to be allotted to L-1 bidder as per predeclared split ratio) before award.
Cannot be split as per tender conditions	25% of total experience as required for general bidders	85% of total ATO as required for general bidders	 (a) If MSE is L1, 100% order will be given to MSE. (b) If MSE is within the range of L1 + 15%, 100% order will be given to MSE subject to price matching with L1 bidder. (c) If MSE is not L1 and not in range of L1 + 15%, no work will be given to MSE.

4. Start-ups are also covered under 25% purchase preference from procurement basket of MSEs as defined in point (3) above, provided that participating Start-ups submit all the relevant documents pertaining to MSEs as defined in point (1) above and

documents for start-ups as defined in point (2) above.

whereas, startup means an entity, incorporated or registered in India:

- (a) Not prior to seven years, however for Biotechnology Startups not prior to ten years,
- (b) With annual turnover not exceeding INR 25 crore in any preceding financial year, and
- (c) Working towards innovation, development or improvement of products or processes or services, or if it is a scalable business model with a high potential of employment generation or wealth creation
- (d) Provided that such entity is not formed by splitting up, or reconstruction, of a business already in existence. Provided also that an entity shall cease to be a Startup if its turnover for the previous financial years has exceeded INR 25 crore or it has completed 7 years and for biotechnology startups 10 years from the date of incorporation/ registration.

Note: For Start-up firms, Gazette Notifications dated: 17-Feb-2016, G.S.R. 180 (E), and subsequently issued notifications will be considered.

NOTES: -

- a) In case where tender quantity can be split and MSE bidder is already getting order more than 25% of the tender value, no additional purchase preference is required to be given in that tender.
- b) In case MSE bidder is already getting order for less than 25% of the tender quantity, purchase preference to this and other MSE vendor (together) shall be given only up to the differential quantity to make total as 25% to MSE vendor subject to L1+15% and price matching.
- c) Public Procurement policy is meant for procurement of goods produced and services rendered by Micro and Small Enterprises. The preference to MSEs is not applicable for works contracts where supply of goods not produced by MSEs is also involved.
- d) The eligibility of MSE bidders for any other benefits/relaxations for MSE bidders indicated in Tender documents shall be as indicated in the above "Tender conditions for Benefits/Preference for Micro & Small Enterprises (MSEs)."
- e) If bidder submits EMD/bid security fees and also MSE certificate along with the offer, then the bidder will be treated as general bidder and no relaxation will be given to such bidders pertaining to MSE's.
- f) The registration certificate must be valid as on bid closing date of the tender. Bidder shall ensure validity of certificate in case bid closing date is extended. The MSEs who have applied for registration or renewal of registration with any of the above agencies/bodies, but have not obtained the valid certificate till the end date of bid submission, are not eligible for any exemption/preference and will not be considered. Such offers will be treated as offers received without EMD and out rightly rejected.

Traders, resellers, distributors and agents will not be considered for availing benefits under PP Policy 2012 for MSEs.

<u>Note:</u> In case of submission of Udyog Aadhar Memorandum/Udyam Registration to claim benefits applicable to MSEs, NIC (National Industrial Classification) code mentioned in below table shall be acceptable as a proof of the fact that the applicant is registered as MSE for the 'Tendered Item'.

Sr. No	5 Digit NIC Code	Description	
1	29101	Manufacture of passenger cars	
2	29102	Manufacture of commercial vehicles such as vans, lorries, over-the-road tractors for semi-trailers etc.	
3	29103	Manufacture of chassis fitted with engines for the motor vehicles included in this class	
4	29104	Manufacture of motor vehicle engines	
5	29109	Manufacture of motor vehicles n.e.c.	
6	30911	Manufacture of motorcycles, scooters, mopeds etc. and their engine	
7	30912	Manufacture of three-wheelers and their engine	
8	30913	Manufacture of parts and accessories of three wheelers and motorcycles including side cars	

Note: If NIC codes as mentioned at above are not found in the submitted Udyog Aadhar Memorandum/Udyam Registration, then in such a case the benefits applicable to MSEs shall NOT be given to the applicant.

THE BIDS IS TO BE SUBMITTED AS FOLLOWS: -

(Please note that, CESL has switched the tender system into E-tendering. Bidders shall submit their bid accordingly as per the terms and conditions of E-tendering mode.)

Envelope-I should contain the following:

- i. Physical copy to be submitted before Closing Date & Time AND Scanned copy to be uploaded on the E-Procurement portal/website, and details to be entered therein, during bid submission: Bidding Document Cost in the form of Banker's Cheque/Demand Draft/Pay Order drawn in favour of "Convergence Energy Services Limited", payable at New Delhi, OR copy(ies) of the relevant documents/certificates, etc. in case exemption is sought.
- ii. Letter of the bidder submitting the bid in the form as stipulated in the bid document i.e., as per Bid Form as Attachment-1, Forms & Procedures. (Scanned Copy to be uploaded at Etendering portal).
- iii. Bid Security Declaration duly notarized on Rs. 100/- stamp paper as per Attachment-2, Forms & Procedures. (To be submitted in hard copy/ manually in the tender-box on and before Technical E-Bid Opening Date & Time. Scanned Copy to be uploaded at E-tendering portal.)
- iv. **Scanned copy to be uploaded**: **Power of Attorney to Sign the Bid** as per the Attachment-3 Bidders to use their own format.
- V. <u>Scanned copy to be uploaded</u>: Acceptance of CESL's Fraud Prevention Policy as per the format at Attachment-7
- vi. <u>Scanned copy to be uploaded</u>: NEFT/RTGS Mandate Form duly attested by Bank as per Attachment-9
- vii. Self-Declaration for not been blacklisted by Central/State/UT Government or any Public sector entities duly signed and stamped at company's Letter Head. (Scanned Copy to be uploaded at <u>E-tendering portal</u>). Bidder shall clearly mention tender reference number and date of signing the self-declaration.
- viii. Duly Filled **Compliance Matrix/ CHECK LIST FOR BIDDERS** as per **Attachment-10**, Forms & Procedure (*Scanned Copy to be uploaded at E-tendering portal*).
- ix. Self-Declaration regarding "Restrictions on procurement from a Bidder of a country which shares a land border with India" as per **Attachment-11**, Forms & Procedure (Scanned Copy to be uploaded while submitting application online on E-tendering portal).
- x. Self-Declaration duly signed and stamped at company's Letter Head for not being under debar list/undergoing debarment period on account of breach of the code of integrity under Rule 175(1)(i)(h) of the General Financial rules for giving false declarations of local content. (Scanned Copy to be uploaded at E-tendering portal. Bidder shall clearly mention tender reference number and date of signing the self-declaration (Scanned Copy to be uploaded at E-tendering portal).
- xi. Certificate regarding Declaration of Local Content as per **Attachment-12**, Forms & Procedure (Scanned Copy to be uploaded at E-tendering portal).
- xii. Certificate Regarding Compliance of Meity Notification Vide File No. 1(10)/2017-Cles Dt. 02.07.18 as per **Attachment 13**, Forms & procedures Duly filled Signed by authorized signatory

anginature: Subject: Cin=Divyang Suri, st=Delhi, Old.2.5.4.17=110003, OU=SUPPLY CHAIN M
ANAGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN
User ID: divyang.suri
Serial No: 13 18466

Envelope-II, i.e., Techno-Commercial Proposal of the bid should contain the following:

- i. **Scanned Copy to be uploaded**: **Deviation Statement** (as per format at Attachment-5).
 - **NOTE**: CESL reserves the right to consider or disregard deviations, and reject bids in case of non-compliance. Bids containing material deviations from or reservations to the Terms & Conditions and specifications mentioned in the Tender will be treated as non-responsive & will not be considered further.
- ii. <u>Scanned Copy to be uploaded</u>: Covering Letter of the bidder, enclosing Techno-commercial bid as indicated in bid documents, i.e., documentary evidences regarding bidder's eligibility and qualifications to perform the Contract, as required per the Eligibility Conditions/Criteria, Qualifying Requirements and Bid Evaluation Criteria, <u>AND</u> Details of Service Provider team structure.
- iii. **Scanned Copy to be uploaded**: One complete set of the EOI and of all its subsequent amendments (if any, effected)}, duly signed and stamped on each page by the bidder.

Opening & Further Processing of the Bids

Initially, Envelope–I containing the documents (as stated above) will be opened electronically. Envelope-II will be opened electronically on the same day of only those bidders, who have submitted/paid Tender Fee and EMD (if exemption is not claimed and applicable) and the requisite documents of Envelope-I.

Documents found in Envelope-II shall be scrutinized by CESL w.r.t. the Tender's Eligibility Conditions/Criteria for Bidders, Qualifying Requirements and Bid Evaluation Criteria.

Expression of Interest (EOI) for OEM Empanelment for Supply of Electric Three-Wheeler Vehicles in India

1. BACKGROUND

India is at the cusp of an e-mobility revolution. The Government of India (GoI) is moving towards accelerated adoption of EVs by 2030 to cut down its carbon emissions. It has announced a target to reach 25% EV adoption by 2030.

One of the key policy measures launched by the Central Govt. to promote EVs is the Faster Adoption and Manufacturing of (Hybrid &) Electric Vehicles Scheme (Phase-II) under NEMMP 2020. The Phase-II of the Scheme has a total budget outlay of INR 10,000 crores, for upfront incentives on the purchase of EVs, as well as, supporting the development of charging infrastructure. The scheme aims to support deployment of 7,000 e-buses; **5,00,000 E3W**; 55,000 E4W and 10,00,000 E2W. **Under the FAME II Scheme, E3W is the segment covered for incentives under the private ownership, with an outlay of INR 2,000 crores.**

On 11 June 2021, Department of Heavy Industry (DHI) issued a corrigendum for the FAME II Scheme. The corrigendum brings forth the following major changes,

- a) EESL has been appointed as designated agency for aggregating demand of 300,000 E3W for multiple user segments
- b) EESL has been appointed as designated agency for aggregating demand electric buses (for nine (9) cities with population of more than four million plus cities Mumbai, Delhi, Bangalore, Hyderabad, Ahmedabad, Chennai, Kolkata, Surat, and Pune)
- Demand incentive for E2W are revised from INR 10,000 per kWh to INR 15,000 per kWh, with a maximum cap at 40% of the vehicles' cost (from 20% of the vehicle cost)

A robust ecosystem to foster green and shared mobility is the need of the hour and can go a long way to preserve the environment and ensure sustainable development in the country. Moreover, widespread adoption of electric vehicles can offer a range of benefits to States, in terms of emission reduction, job generation and transformation of the auto industry.

Most states have identified Electric Mobility space to be a robust growth driver in the years to come and aim to be a frontrunner in building a sustainable transportation infrastructure by promoting Electric Mobility Ecosystem.

This initiative undertaken by Convergence Energy Services Limited (CESL) will provide an impetus for Indian vehicle manufacturers, charging infrastructure companies, fleet operators, service providers, etc. to gain efficiencies of scale and drive down costs, create local manufacturing facilities, grow technical competencies for the long-term growth of the electric vehicle (EV) industry in India and also enable Indian EV manufacturers to emerge as major global players.

Signature:-Subject: CN=DIVYANG SURI, ST=DELHI, OID.2.5.4.17=110003, OU=SUPPLY CHAIN M ANÁGEMENT, O=ENERGY EFFICIENCY SERVICES LIMITED, C=IN User ID: divyang.suri Serial No: 1318466

Note: For the purpose of this document, the terms E3W or EV refer to vehicles that run solely on energy from battery installed in the vehicle, and do not have any internal combustion engine.

1.1 About CESL

A joint venture of NTPC Limited, Power Finance Corporation, Rural Electrification Corporation and POWERGRID, **Energy Efficiency Services Limited (EESL)** was set up under Ministry of Power to facilitate implementation of energy efficiency projects. EESL is an Energy Service Company (ESCO) that seeks to unlock energy efficiency market in India, estimated at US\$ 12 billion that can potentially result in energy savings of up to 20 per cent of current consumption, by way of innovative business and implementation models.

Convergence Energy Services Limited (CESL) is a wholly owned subsidiary of Energy Efficiency Services Limited (EESL), under the administration of Ministry of Power, Government of India headquartered at New Delhi. CESL focuses on the development of renewable energy, electric mobility etc. with the ultimate objective of discovering business models around a convergence of the various initiatives of the company.

CESL is handling solar and mobility portfolios of EESL, international business interests and any further business that involves a convergence of these two traditional sectors. CESL handles projects related to deployment of Electric Vehicles (EVs) and charging stations, solar power, renewables, carbon credits and other related matters. CESL has a dedicated carbon finance unit that is currently preparing its own portfolio.

2. OBJECTIVE

CESL has been supporting the Electric Mission of the State Government to scale up E3Ws through demand aggregation, procuring best quality products and services at lowest prices from the OEM(s) and supplying vehicles to the end-users.

CESL has been appointed the Programme Manager to Promote Adoption of Electric Three-Wheelers (E3W) in various states and collaborating with several designated state agencies to aggregate the demand for different use-cases of E3W, in the major cities to start with, having four million plus population.

The present EoI is to empanel Original Equipment Manufacturers (OEMs) to supply E3W for different use-cases to end-consumers on a pilot-testing basis. All products should be complaint with FAME-II policy requirements. Further, the technical specifications of the product should be in accordance with each of the below mentioned use-cases:

- (i) Collection of Municipal Solid Waste by ULBs or private contractors deployed by local authority,
- (ii) On-demand delivery of goods by sellers/service providers of hyper-local ecommerce market,

(iii) ature: Last mile delivery of petroleum products including LPG Cylinders, ANACHMINT, O-ENERGY EFFICIENCY SERVICES LIMITED, C=IN User ID: divyang.suri serial No. 1318466

(iv) Intra-city public transportation

CESL will deploy E3Ws in accordance with the requirements specified by the end-users and the product availability to suit the indicated functional requirements within the stipulated period of 7 days from the date of issuance of LoA. The number, technical specifications, and other ancillary requirements shall be finalised by the client in terms of end-users of E3W vehicles.

3. ELIGIBILITY & QUALIFYING REQUIREMENTS FOR OEM EMPANELMENT

- Apart from the criteria given below, past performance of OEM(s) with CESL, i.e., related to quality, supply, performance, etc. shall be taken into consideration by CESL during OEM empanelment.
- ii. CESL reserves the right to independently verify the authenticity of the documents submitted/claims made by the OEM(s) and may also ask for presenting the original copy of the submitted document(s). Further, on such verification, if it is found that the OEM(s) has made false claims, submitted forged documents, etc., the OEM shall be liable for outright rejection, notwithstanding other rights available under the tendered Terms and Conditions for taking actions against the OEM(s), as deemed fit by CESL.

The eligibility criteria are mentioned in table below.

S. No.	Parameter	Applicable for Indian company	Document to be provided
Financi	al Qualification Criteria		
F1	Average Annual turnover of the OEM Average Annual turnover means revenue from operations.	Average Annual turnover of the OEM of the last three financial years (2018-19, 2019-20, and 2020-21 or 2019-20, 2020-21 if the production started in 2019.) should be greater than INR 10 Crores	Duly authorized copy of audited annual report for preceding last three financial years (2018-19, 2019-20, and 2020-21). In case, bidder is unable to provide audited financial statement for FY 2020-21, then audited financial statement of FY 2017-18, 2018-19 & 2019-20 shall be considered.
F2	The bidder should be profitable in any two years out of last three financial years ((2018-19, 2019-20, and 2020-21). TO STATE OF THE OWNERS O	Yes	Duly authorized copy of audited annual report for preceding last three financial years (2018-19, 2019-20, and 2020-21).

S. No.	Parameter	Applicable for Indian company	Document to be provided
	Profitability means: Profit after		
	tax		In case, bidder is unable to provide audited financial statement for FY 2020-21, then audited financial statement of FY 2017-18, 2018-19 & 2019-20 shall be considered.
F3	Net worth in last financial year (2020-21) should not be less than 100% of paid up capital.	Yes	Duly authorized copy of audited annual report for preceding last three financial years (2018-19, 2019-20, and 2020-21).
			In case, bidder is unable to provide audited financial statement for FY 2020-21, then audited financial statement of FY 2017-18, 2018-19 & 2019-20 shall be considered.
Technic	al Qualification Criteria		
T1	OEM(s) should have experience in the business of manufacturing of minimum 100 (annually) E3W.	For the last 1 year for E3W prior to the date of the submission of proposal in response to the EOI	Excise Return (E.C.C document) / GST Return / Factory License / NSIC Certificate / DIC certificate / certificate from Chartered Accountant to confirm the required experience.
T2	The OEM should have sold a minimum of 500 E3W annually, in the last 3 years or aggregate of 1,000 E3W in the last 3 years OR For new-age pure EV based companies, the OEM should	Proof of units sold from audited financial statements	Proof of units sold from audited financial statements or certificate from Chartered Accountant

S. No.	Parameter	Applicable for Indian	Document to be provided
		company	
	have sold a minimum of 100 E3W from the date of incorporation (if after 2019)		
Т3	The product (model) offered by the OEM(s) for supply against this EOI must have a minimum of 100 units sold in the last 1 year.	The OEM should provide certification for the sales data.	Documentary proof/ Certification
T4	The product offered by the OEM(s) for supply against this EOI must meet the functional requirements (different usecases) and technical specifications as stipulated in the EOI.	The OEM should provide test reports, specifications, along with brochures and other details as part of their participation document. Before delivery, the E3W should meet all the regulatory and statutory norms and obtain all the approvals/NOCs from appropriate Indian Govt. agencies, such as certificate of inter-operability and intercommunication with charging equipment being procured by CESL, L5M/L5N type approval requirements by ARAI laboratories etc.	Documentary proof must include the test reports, brochures, catalogues etc.

For start-up firms, gazette notification dated 17 Feb 2016, G.S.R. 180(E), and the subsequently issued guidelines shall be considered for waiving off respective qualifying requirements.

4. SCOPE OF WORK & PROJECT EXECUTION

4.1. Scope of Work

CESL intends to procure Electric-Three Wheelers as per FAME II guidelines for deployment of EV transport solutions for different use-cases across the country. The scope of the OEM(s) shall include designing, engineering, manufacturing, testing, inspection, supply, transportation, complete system warranty & transit insurance, delivery to the end-consumer and provide after sales support.

4.2. Tentative Requirement of Electric Three Wheelers

CESL has collaborated with various stakeholders to generate demand for electric three wheelers. CESL intends to fulfil the target by entering into segment for door to door garbage collector electric three-wheeler vehicle, vehicle loaders for gas cylinder delivery, delivery vans for e-commerce players. Through the corrigendum no. CG-DL-E-11062021-227493 Dated June 11, 2021. The relevant section of the corrigendum is mentioned below.

Para 17 (i): Aggregation will be the key method for bringing the upfront cost of 3W EV at an affordable level and at par with ICE 3-Wheelers. EESL will aggregate demand for 3 lakh Electric 3 Wheelers for multiple user segments. Details will be worked out by EESL for implementation

4.3. Product Specification E3W

The desired functional and technical specifications of E3Ws (applicable in Indian conditions) have been mentioned in the subsequent sections of this document. However, the intent is not to specify and capture all the aspects of design and installation associated with E3Ws mentioned herein. It shall be the obligation of OEM(s) that all the systems, sub-systems and equipment's/devices shall conform in all respect to high standards of engineering, design and workmanship, and shall be capable of performing continuous commercial operation as per best industry standards.

4.3.1. Functional specifications of the E3W

OEMs to propose vehicle that should be functionally in compliance with each of the below mentioned use-cases:

- (i) Collection of Municipal Solid Waste (MSW) by ULBs or private contractors deployed by local authority,
- On-demand delivery of goods by sellers/service providers of hyper-local ecommerce market.
- (iii) Last mile delivery of petroleum products including LPG Cylinders,
- (iv) Intra-city public transportation

Note: The proposed vehicle should be compliant and tested for its build quality, hydraulics, safety requirement, load bearing capacity for the defined end-use and its expected delivery time in the major cities with more than four million plus population, (final locations to be intimated later on to empanelled OEMs). The technical specifications including the compliance requirements mentioned above, should be clearly spelt-out in the offer document of the OEMs.

4.3.2. Technical Specifications of the E3W

4.3.2.1. MSW collector vehicle

The vehicle should be technically in compliance with the FAME II Guidelines. All vehicles offered should have ARAI certification.

GPS tracking system	Yes/No	Yes

4.3.2.2. Delivery Vehicle /Cargo Loader/ Flat Bed

The vehicle should be technically in compliance with the FAME II Guidelines. All vehicles offered should have ARAI/ICAT certification.

Note:

- a) E3W, to be supplied, must meet all eligibility conditions for availing Demand Incentive under Phase-II of FAME (Faster Adoption and Manufacturing of (Hybrid) and Electric Vehicles) India Scheme of Govt. of India.
- b) Benefit of any reduction in taxes & duties during the execution of contract shall be passed on to CESL.
- c) OEM E3W charger should be capable of charging in any mode, (slow/fast mode), any number of times.
- d) All wiring within the vehicle interior including boot space shall be concealed properly
- e) Charging ports/points should be on the exterior body of the three-wheeler with a designated flap.
- f) An easily accessible telematics gateway unit should be optional in the E3W
- g) Various design elements (decals and logos) would be informed by CESL as per requirements and would be specified by CESL based on the three-wheeler design.
- h) Charger as per ARAI Standards to be supplied along with the vehicle at no additional cost.

The E3W before delivery, should meet all the regulatory and statutory norms and obtain all the approvals/NOCs from appropriate Indian Govt. agencies such as L5M/L5N type approval requirements by ARAI laboratories. In case the successful OEM(s) fails to comply with these requirements, its order shall be cancelled and shall be blacklisted for at least 3 years by CESL from future tenders/EOIs.
